INTERIOR DESIGN

OVERVIEW

Applying leadership and 21st century skills, participants develop a color sample and material design board(s) used by interior designers to plan an overall cohesive design. Participants must demonstrate an understanding of and aptitude for interior design, the development of design boards, and presenting their design interpretation. The design challenge for the current school year will be posted on the TSA website under *Themes & Problems*.

ELIGIBILITY

Three (3) teams of two (2) individuals per state may participate; individual entries are permitted.

TIME LIMITS

SEMIFINAL ROUND

A. Twenty (20) minutes are allowed for the presentation/interview broken down as follows:
   1. two (2) minutes for set-up
   2. ten (10) minutes for the presentation
   3. six (6) minutes for the interview
   4. two (2) minutes for the removal of items

B. A deduction of five (5) points will be incurred for exceeding the presentation/interview time limit.

ATTIRE

TSA competition attire is required for this event.

PROCEDURE

PRE-CONFERENCE

A. Participants review the TSA Honor Statement for Competitive Events found in the General Rules.

B. Participants review the Use of Generative Artificial Intelligence (GenAI) found in the General Rules.

C. Participants access the annual design challenge found on the TSA website under *Themes & Problems*

D. Participants prepare the documentation portfolio according to the regulations.

E. Participants prepare their design boards.

PRELIMINARY ROUND

A. Participants check in the following at the time and place stated in the conference program:
   1. Design boards
   2. Documentation portfolio

B. Entries are reviewed by judges with neither students nor advisors present based on the following criteria:
   1. Judges score the quality of the Design Boards criteria to determine the top twenty-four (24) preliminary round contestants, which will not be posted. Only the item(s) specified in the annual theme and portfolio are judged.
   2. Judges score the Documentation Portfolio criteria of those top twenty-four (24) contestants to determine the top twelve (12) finalists.

C. A list of twelve (12) semifinalists (in random order) is posted.

SEMIFINAL ROUND

A. Participants report at the time and place stated in the conference program to sign up for a presentation/interview time.

B. Participants report at the assigned time and place for the presentation/interview.

C. A maximum of two (2) members may participate in the presentation/interview.

D. Semifinalists present their designs and answer questions from the judges.

E. Participants are allowed twenty (20) minutes to complete the presentation/interview broken down as follows:
   1. two (2) minutes for set-up
   2. ten (10) minutes for the presentation
   3. five (6) minutes for the interview
   4. two (2) minutes for removal of items

   Points will be deducted from a team's score for exceeding the twenty (20) minute time frame allowed for the semifinal round.

F. Easels will be provided for the design boards.

G. Final evaluation by judges takes place immediately following the completion of the presentation/interview.

H. The top ten (10) finalists are announced at the awards ceremony.

REGULATIONS AND REQUIREMENTS

Students will work to develop their leadership and 21st century skills in the process of preparing for and participating in this TSA competitive event. The development and application of those skills must be evident in their submission, demonstration, and/or communication pertaining to the entry.

2027 & 2028 OFFICIAL RATING FORM

HIGH SCHOOL

Judges: Using minimal (1-4 points), adequate (5-8 points), or exemplary (9-10 points) performance levels as a guideline in the rating form, record the scores earned for the event criteria in the column spaces to the right. The X1 or X2 notation in the criteria column is a multiplier factor for determining the points earned. (Example: an "adequate" score of 7 for an X1 criterion = 7 points; an "adequate" score of 7 for an X2 criterion = 14 points.) A score of zero (0) is acceptable if the minimal performance for any criterion is not met.

Go/No Go Specifications

- Before judging the entry, ensure that the items below are present; indicate presence with a check mark in the box.
- If an item is missing, leave the box next to the item blank and place a check mark in the box labeled ENTRY NOT EVALUATED.
- If a check mark is placed in the ENTRY NOT EVALUATED box, the entry is not to be judged.

☐ TIER 1 – Design board(s) are present
☐ TIER 2 – Documentation portfolio is present
☐ ENTRY NOT EVALUATED

TIER 1 – DESIGN BOARDS (80 points)				Record scores in the column spaces below.
CRITERIA	Minimal performance	Adequate performance	Exemplary performance	
	1-4 points	5-8 points	9-10 points	
Design Representation (X2)	Design board is ineffective in communicating the requirements of the design challenge.	Design board is somewhat effective in communicating the requirements of the design challenge.	Design board is clearly effective in communicating the requirements of the design challenge.	
Organization and Flow (X1)	Design board organization and flow is ineffective; board is disorganized and/or confusing and does not effectively communicate the design plan.	Design board organization and flow is somewhat effective; board organization and flow is lacking and doesn't effectively communicate the design plan.	Design board organization and flow is very effective; board organization and flow effectively communicate the design plan.	
Scaled Floor Plan (X1)	Floor plan did not appear to use any scale and absent or minimal architectural features shown.	Proper scale used, but not consistently; some architecural features shown.	Proper scale used consistently; all architectural features shown appropriately.	
Furniture Arrangement (X1)	Minimal to no furniture arrangement shown; furniture is poorly arranged for both form and function.	Furniture arrangement provides for good form OR function, but not both.	Furniture is well-arranged for form and function.	
Aesthetic Appeal (X1)	Design board is not aesthetically appealing; elements do not catch the eye and/or communicate the intended aesthetic.	Design board is somewhat aesthetically appealing; only some elements catch the eye and/or communicate the intended aesthetic.	Design board is very aesthetically appealing; all elements catch the eye and/or communicate the intended aesthetic.	
Creativity and Professionalism (X2)	Design board lacks creativity and/or professionalism.	Design board is somewhat creativie and/or professional.	Design board is highly creative and professional.	
			TIER 1 – DESIGN BOARDS SUBTOTAL (80 points)	

Rules violations (a deduction of 20% of the total possible points for the above sections) must be initialed by the judge, coordinator, and manager of the event. Record the deduction in the space to the right.

Indicate the rule violated: _____

TIER 1 – SUBTOTAL (80 points)	

TIER 2 – DOCUMENTATION PORTFOLIO (90 points)				Record scores in the column spaces below.
CRITERIA	Minimal performance	Adequate performance	Exemplary performance	
	1-4 points	5-8 points	9-10 points	
Portfolio Components (X1)	Portfolio is unorganized and/or is missing three (3) or more components.	Portfolio has most components and is generally organized per the order of the event guide listing; it has sufficient content.	All components are included in the portfolio; content and organization per the order of the event guide listing are excellent.	
Description of Design Plan and Materials Selections (X1)	Description of the design plan and materials selections is unclear or vague.	Description of the design plan and materials selections is included; it is adequately presented.	Description and merits of the design and explanation of materials selections are clear, effective and convincing.	
Mood/Inspiration Board (X2)	Mood board is not present or is missing adequate elements to effectively communicate the design inspiration.	Mood board includes adequate elements to effectively communicate the design inspiration.	Mood board includes multiple elements to very effectively communicate the design inspiration.	
Drawings (X2)	Only some of the required drawings are present, and/or they are lacking in quality.	Most, but not all, of the required drawings are included and in the proper format.	All required drawings are included and in the proper format.	
Invoice (X1)	Invoice is not included, is missing several required items, or is disorganized.	Invoice inlcudes many, but not all, required items; organization or detailed information is missing.	Invoice is accurate, organized, and complete, including all required information.	
Resources/ References (X1)	There is little or no effort to provide resources and references.	Resourches and references included are generally presented appropriately.	There is clear evidence of the appropriate use of applicable resources and references.	
Resources and AI Reflection (X1)	Form is incomplete or vague and does not clearly explain whether or how AI was used, showing little connection to the submission or understanding of effectiveness and ethics.	Form is complete and clearly explains AI use or the lack thereof with connections to the submission or theme/topic (when applicable), addressing effectiveness and ethical considerations with adequate analysis.	Form is complete, concise, and specific, critically evaluating how AI or non-AI tools shaped decisions and outcomes, with strong alignment to the submission or theme/topic (when applicable) and ethical reasoning.	
TIER 2 – DOCUMENTATION PORTFOLIO SUBTOTAL (90 points)				

Rules violations (a deduction of 20% of the total possible points for the above sections) must be initialed by the judge, coordinator, and manager of the event. Record the deduction in the space to the right.

Indicate the rule violated: _____

PRELIMINARY SUBTOTAL (170 points)	

SEMIFINAL PRESENTATION/INTERVIEW (60 points)				Record scores in the column spaces below.
CRITERIA	Minimal performance	Adequate performance	Exemplary performance	
	1-4 points	5-8 points	9-10 points	
Organization of Presentation (X1)	Participant(s) seems unorganized and unprepared for the presentation	Participant(s) is/are generally prepared/organized in the overall presentation.	Presentation is logical, well-organized and easy to follow.	
Knowledge (X1)	Participant(s) seems to have little understanding of the concepts of the design challenge; vague answers to interview questions are provided.	An understanding of the concepts of the design challenge and answers to questions are adequate.	There is clear evidence of a thorough understanding of the design challenge; questions are answered well.	
Articulation (X1)	Communication of the design process is unclear, unorganized, and/or illogical.	Communication of the design process is somehwat logical and clear.	Communication of the design process is clear, concise, and logical.	
Delivery (X1)	Team/individual is verbose and/or uncertain in the presentation/interview; participant posture, gestures, and lack of eye contact diminish the delivery.	Team/individual is somewhat well-spoken and clear in the presentation/interview; particpnt posture, gestures, and eye contact result in an acceptable delivery.	Team/indiviual is well-spoken and distinct in the presentation/interview; participant posture, gestures, and eye contact result in a polished, natureal and effective delivery.	
Thoughtfulness of Design (X1)	Design shows little to no consideration of clients' space needs or design style.	Design shows some evidence of consideration of clients' needs or design style.	Design effectively meets clients' space needs and design style.	
Incorporation of Design Boards (X1)	Design boards were not used, or used minimally during the presentation/interview; incorrect number of boards presented.	Appropriate number of design boards were incorporated throughout the presentation/interview.	Presentation/interview moved seamlessly between oral presentation and appropriate number of design boards.	
			SEMIFINAL PRESENTATION/INTERVIEW SUBTOTAL (60 points)	

Rules violations (a deduction of 20% of the total possible points for the above sections) must be initialed by the judge, coordinator, and manager of the event. Record the deduction in the space to the right.

Indicate the rule violated: _____

TIME DEDUCTIONS		Record scores in the column spaces below.
Five (5) points will be incurred for exceeding the twenty (20) minute presentation/interview time limit. Enter a five (5) if the presentation/interview exceeds the twenty (20) minute time limit.		
Presentation/Interview Time		
TOTAL TIME DEDUCTION		

SEMIFINAL SUBTOTAL (60 points)

To arrive at the TOTAL score, add the PRELIMINARY SUBTOTAL and the SEMIFINAL SUBTOTAL. **TOTAL** (230 points)

EVENT COORDINATOR INSTRUCTIONS

PERSONNEL

A. Event coordinator
B. Assistants for check-in, two (2)
C. Judges:
   1. Preliminary round, two (2) or more
   2. Semifinal round, two (2) or more

MATERIALS

A. Coordinator's packet, containing:
   1. Event guidelines, one (1) copy for the coordinator and for each judge
   2. TSA Event Coordinator Report
   3. Stick-on labels for entries, as needed
B. Tape measure for judges
C. Stopwatch
D. Display tables for entries (6' x 30" tables preferred; one [1] table per three [3] entries)
E. Table and chairs for judges and two (2) semifinalist team representatives
F. Three (3) easels for the semifinal round presentation/ interviews
G. Containers for storing documentation portfolios

RESPONSIBILITIES

AT THE CONFERENCE

A. Attend the mandatory coordinator's meeting at the designated time and location.
B. Report to the CRC room and check the contents of the coordinator's packet.
C. Review the event guidelines and check to see that enough personnel have been scheduled.
D. Inspect the area(s) in which the event is to be held for appropriate set-up, including room size, tables, chairs, etc. Notify the event manager of any potential problems.
E. Ensure the judges have access to the online judging system.
F. At least one (1) hour before the event is to begin, meet with judges and assistants to review time limits, procedures, regulations, evaluation, and all other details related to the event. If questions arise that cannot be answered, speak to the event manager before the event begins.

EVENT CHECK-IN

A. Check in the entries at the time and place stated in the conference program.
B. If check-in is on the first day of the conference, requirements for attire do NOT apply during check-in.
C. Late entries are considered on a case-by-case basis and only when the lateness is caused by events beyond the participant's control.
D. In order to compete, participants must be on the entry list or must have CRC approval.
E. Each entry must include the team's identification number in the upper right-hand corner of the entry.
F. Instruct participants to position and properly stack the design boards. Store the documentation portfolios separate.
G. Secure the entries in the designated area.

PRELIMINARY ROUND

A. Judges independently assess the entries:
   1. Initial round of judging scores the design boards entries to determine the top twenty-four (24) participants.
   2. Second round of judging scores the documentation portfolios of the twenty-four (24) identified participants based on the initial round of judging to determine the twelve (12) semifinalists.
B. Decisions about rules violations must be discussed and verified with the judges, event coordinator, and CRC manager to determine either:
   1. To deduct twenty percent (20%) of the total possible points or
   2. To disqualify the entry

   The event coordinator, judges, and CRC manager must initial either of these actions on the rating form.

C. Judges determine the twelve (12) semifinalists.

D. Create a sign-up sheet for the semifinal round.

SEMIFINAL ROUND

A. Semifinalists report at the time and place stated in the conference program to sign-up for a presentation/interview time.

B. Semifinalists report at the assigned time and place for the presentation/interview.

C. Manage the semifinalist presentations/interviews.

D. Discuss rule violations (e.g. 20% deduction, disqualification) and have all relevant parties initial the rating form.

E. If necessary, manage security and the removal of materials from the event area.
