# ON DEMAND VIDEO

## OVERVIEW

Applying leadership and 21st century skills, participants showcase video skills, tools, and processes to communicate, entertain, inform, analyze and/or illustrate a topic, idea, subject, or concept through a film produced on-site at the National TSA Conference. Required criteria, such as props and a line of dialogue, make the competition more challenging and will be revealed at the event orientation meeting.

## ELIGIBILITY

One (1) team per chapter may participate.

## TIME LIMITS

A. Video must be no longer than sixty (60) seconds in length. Videos over sixty (60) seconds will be disqualified.

B. Participants have thirty-six (36) hours, beginning at the event orientation meeting, to complete the entire production.

## ATTIRE

TSA competition attire is required for this event.

## PROCEDURE

### PRE-CONFERENCE

A. Participants review the TSA Honor Statement for Competitive Events found in the General Rules.

B. Participants review the Use of Generative Artificial Intelligence (GenAI) found in the General Rules.

### ON-SITE CHALLENGE

A. Participants report to the event area at the time and place stated in the conference program to receive the on-site challenge information. TSA competition attire is required to receive the on-site challenge.

B. Event coordinator distributes the materials, information, directions, and deadlines to each team.

C. Each team supplies its own video production and editing equipment to complete its entry.

D. Teams are responsible for submitting a HYPERLINK of their video solution and a PDF of a completed Student Copyright Checklist using the submission procedures provided by the event coordinator.

E. The top ten (10) finalists are announced at the awards ceremony.

## REGULATIONS AND REQUIREMENTS

Students will work to develop their leadership and 21st century skills in the process of preparing for and participating in this TSA competitive event. The development and application of those skills must be evident in their submission, demonstration, and/or communication pertaining to the entry.

A. Participants produce a video while observing the following:

1. Participants film their footage, which must be appropriate for the TSA community, only at officially sanctioned conference locations, as described by the event coordinator.
    a. Teams are not allowed to film in sleeping rooms, restrooms, bathrooms, restaurants, maintenance/service areas, or elevators/escalators.
    b. Participants may not disturb any event in progress, enter a restricted evaluation area, interrupt a conference function, or participate in behavior unbecoming of a conference participant.
    c. At the event meeting, the event coordinator explains any further filming restrictions on the specific property.
    d. Failure to follow these instructions will result in disqualification.
2. TSA competition attire is not required for the participants in the video.
3. Teams are responsible for providing their own editing equipment
4. All video footage must be the original work of the team and must have been completed during the event timeline.

5. All members, adults, or children that are a prominent element in the video must be registered members of the conference.

B. On-site Submission Information:

1. Participants may choose any video hosting site (such as an UNLISTED YouTube URL), or a shareable link in cloud storage, as long as the video is located online and accessible for evaluation.
2. The URL must point directly to the participant's entry. Entries that require a software download or a request that access be granted will not be judged.
3. If the hosting site has a time displayed on the thumbnail that is greater that 1:00, the team must verify that the player page does not exceed 1:00.
4. Entries received, or changes made to submitted entries after the deadline will not be judged.
5. TSA will not penalize students for advertisements that are added to their video by third party sites (i.e.: YouTube).
6. Participants must complete the Student Copyright Checklist (see 2027 &2028 Forms Appendix) and save it as a multi-page PDF to be submitted electronically with the entry online. Failure to include the Student Copyright Checklist will result in disqualification.
7. Where applicable, all ideas, text, images, and sounds from other sources must be cited. Copyrighted materials may NOT be used. If including a citation page, the page must be included as a second page of the Student Copyright Checklist PDF in B.6.
8. National TSA will not provide internet access.

## 2027 & 2028 OFFICIAL RATING FORM

## HIGH SCHOOL

Judges: Using minimal (1-4 points), adequate (5-8 points), or exemplary (9-10 points) performance levels as a guideline in the rating form, record the scores earned for the event criteria in the column spaces to the right. The X1 or X2 notation in the criteria column is a multiplier factor for determining the points earned. (Example: an "adequate" score of 7 for an X1 criterion = 7 points; an "adequate" score of 7 for an X2 criterion = 14 points.) A score of zero (0) is acceptable if the minimal performance for any criterion is not met.

### Go/No Go Specifications

- Before judging the entry, ensure that the items below are present; indicate presence with a check mark in the box.
- If an item is missing, leave the box next to the item blank and place a check mark in the box labeled ENTRY NOT EVALUATED.
- If a check mark is placed in the ENTRY NOT EVALUATED box, the entry is not to be judged.

☐ Video is submitted and accessible
☐ Video is sixty (60) seconds or less
☐ A PDF of the Student Copyright Checklist is uploaded
☐ ENTRY NOT EVALUATED

| **PRODUCTION** (100 points) | | | | |
|---|---|---|---|---|
| **CRITERIA** | Minimal performance | Adequate performance | Exemplary performance | Record scores in the column spaces below. |
| | 1-4 points | 5-8 points | 9-10 points | |
| **Camera Handling** (X1) | Significant problems with focus, steadiness, and framing are evident. | Most shots are properly focused and framed, with adequate close-ups included. | Steady and creative shots enhance the video, and effective close-ups are included | |
| **Lighting** (X1) | Numerous shots are improperly lit; bleaching, shadows, or unbalanced conditions may be evident in some shots; there is no evidence of an attempt to correct problems. | Most shots are properly lit, either through ambient lighting or the use of techniques to correct poor lighting conditions. | All shots are well lit, either through ambient lighting or the use of techniques to correct poor lighting conditions. | |
| **Audio** (X1) | Audio may be unclear, distorted, or washed out from poor signal-to-noise ratio; there is evidence of the use of a built-in camera microphone that detracts from the message. | Audio is clear, with consideration given to a good signal-to-noise ratio; background or ambient noise may occasionally be a distraction. | Audio is clear and recorded with good signal-to-noise ratio, displaying skillful microphone choice, placement, and technique. | |
| **Continuity and Pacing** (X2) | Story sequencing is confusing; shots are too long or or abruptly clipped with edit points appearing "glitchy." | Pace and timing are well structured; clips move along and tell the story, with moderate use of transitions. | Shots are sequenced logically to advance the story, with purposeful and effective use of transitions. | |
| **Video Effectiveness** (X2) | Video does not meet project goals, presents an unclear message, and/or is sloppy overall; leadership and/or 21st century skills are not evident. | Video topic is presented with insights; video adequately meets the objective; leadership and/or 21st century skills are somewhat evident. | Video is clearly focused, with a rich variety of supporting material; leadership and/or 21st century skills are clearly evident. | |
| **Aesthetics and Artisanship** (X1) | Work lacks organization and appears unfinished or sloppy. | Work provides an organized and logical presentation of essential issues. | Work provides an exemplary use of layout and design principles to logically communicate important data. | |
| **Use of Required Props** (X1) | Required props appear to be added as an afterthought and are not meaningfully integrated. | Props incorporated in the video add some artistic value and tend to further the plot. | Required props are integral to the production's plot and artistic value. | |
| **Use of Required Dialogue** (X1) | Line of dialogue is not well incorporated in the production, and/or the dialogue is not in sync with the plot. | Line of dialogue is adequately incorporated and somewhat essential to the production's plot. | Line of dialogue is communicated effectively and is integral to the production's plot. | |

   1. Event guidelines, one (1) copy for the coordinator and for each judge
   2. TSA Event Coordinator Report

B. One (1) stopwatch per group of judges

C. Marking pens, three (3)

D. A well written on-site problem that is appropriate for the conference with criteria, props, a line of dialogue, and submission instructions; one (1) for each team and one (1) for each judge.

E. Tables and chairs for judges

F. Computer installed with VLC Media Player software and capable of viewing PDF files is needed for each judge team in addition to the rubric/scoring computer

G. Extension cords (25' minimum length), as needed

## RESPONSIBILITIES

### AT THE CONFERENCE

A. Attend the mandatory coordinator's meeting at the designated time and location.

B. Report to the CRC room and check the contents of the coordinator's packet.

C. Review the event guidelines and check to see that enough personnel have been scheduled.

D. Inspect the area(s) in which the event is being held for appropriate set-up, including room size, chairs, tables, outlets, etc. Notify the event manager of any potential problems.

E. The coordinator (and possibly an assistant) review the entries to mark as disqualified any video greater than sixty (60) seconds and/or missing the required documentation (Student Copyright Checklist).

F. At least one (1) hour before the event is to begin, meet with judges and assistants to review time limits, procedures, regulations, evaluation, and all other details related to the event. If questions arise that cannot be answered, speak to the event manager before the event begins.

G. Ensure the judges have access to the online judging system.

### EVENT CHECK-IN

A. Prior to the event meeting, the coordinator should tour the conference facilities and develop a list of restricted areas and/or specific restrictions for the event. This list should be shared with the event manager prior to the event meeting. The coordinator should mention at the event meeting that teams must be courteous to all guests in common areas or designated filming areas.

B. Meet with all participants at the designated time and place to deliver the specific criteria, including required props and dialogue.
   1. Ensure that all participants understand regulations regarding equipment allowed, behavior, deadlines, and submission requirements.
   2. Share the online submission link with the participants.
   3. Late entries are considered on a case-by-case basis and only when the delay is caused by events beyond participant control.
   4. In order to compete, participants must be on the entry list, or must have approval of the CRC.

C. If check-in is on the first day of the conference, requirements for attire do NOT apply during check-in.

### PRELIMINARY ROUND

A. Close the online submission link.

B. Determine the heat procedures and communicate the requirements to the judges.

C. Entries are reviewed by judges with neither students nor advisors are present at this time.
   1. Event is judged in sections with two (2) judges per section.
   2. The top twelve (12) entries will be reviewed by a second set of two (2) judges using the same rubric, but a new blank rubric. For example, if three sections are used, the top (4) from each section will advance. If six sections are used, the top two (2) from each section will advance.
   3. The top twelve (12) entries will not be published.

D. Ensure the judges have access to the entries.

E. Judges independently evaluate the entries.

F. Decisions about rules violations must be discussed and verified with the judges, event coordinator, and CRC manager to determine either:
   1. To deduct 20% of the total possible points or
   2. To disqualify the entry

   The event coordinator, judges, and CRC manager must initial either of these actions on the rating form.

G. Each group of evaluators averages the scores to determine the top ten (10) entries from that group. The number of evaluator groups depends on the number of entries with two (2) or more evaluators for every forty (40) entries.

H. If necessary, manage security and the removal of materials from the area.
